

# Placement Brochure

2016-17

**Training and Placement Cell**  
**College of Engineering and Technology**  
**Techno Campus, Bhubaneswar-751003**

**To emerge as a global leader  
in technical education**

**To generate on a sustainable  
basis quality technical energy  
resources commensurating  
with dynamic global scenario**

## **From the Principal's Desk**

**Prof. (Dr.) P. K. Patra**

On behalf of College of Engineering and Technology, Bhubaneswar it is my pleasure to welcome you all to this beautiful campus. This institute has been known for its technical excellence for more than three decades, and we strive hard to keep up that tradition. It's in fact a matter of great pride for me to state that CET has a brand name in the field of technical education and attracts the best talents from not only the states but from all over the country. It is indeed a pleasure to mention that the college attracts the best talented students through the JEE conducted by the government of India and this institute is the first choice out of all colleges of Odisha, be it UG programmes in Engineering, Architecture, Planning and PG Programmes in Science, Engineering, Architecture Planning and MCA. Teaching the best students pose a challenge before the faculty members as they have the task of transforming these good students to skilled technocrats and be a better person. The qualities and skills that the students imbibe here empower them to work in global environment. Whether you have regularly recruited our graduates and postgraduates or you are visiting us for the first time, I am sure you will find our students very competent and you will like to visit us again, year after year. We look forward for an enduring relationship.

# CET AT A GLANCE

“A long time ago, we made tryst with destiny. Now the time has come to redeem our pledge very substantially.” These were Nehru’s words on 15th August 1947. Its echo was felt by the Govt. of Odisha to encourage excellence in Technical Education and bridge the gap between growing need of manpower in the state. The establishment of CET-B in 1981 manifests this vision. CET-B initially was a constituent college of OUAT (Odisha University of Agriculture and Technology, Bhubaneswar). After creation of state technical university CET-B has become a constituent part of BPUT (Biju Patnaik University of Technology), with effect from 9th July 2002 as per section 37(1) of BPUT Act 2002. Owing to its vibrant academic culture, distinguished alumni base, emphasis on quality training and research, the college has been receiving grants from the World Bank through MHRD, Govt. of India under Technical Education Quality Improvement Programme-II (TE-QIP-II) (Sub Component 1.1). The college offers QEEE live classes of Govt. of India, New Delhi organized by IIT-Madras. The college provides under-graduation, post-graduation and integrated dual programmes in Sciences and PhD. The campus has a fully Wifi facility.

## WHY CET?

### **AN INSTITUTE OF EXCELLENCE**

The constant endeavour to surpass the orthodox paradigms in engineering since 1981 distinguishes CET-B from the rest. CET-B has set many benchmarks in academics, research, internships, placements and now the pursuit of quality has become a never ending journey.

### **CULTURE OF ALMA MATER**

It goes without saying “It is the spirit within you which persuade you to challenge your limitations, to discover the undiscovered and subvert the paradigm”. It has been 34 years (3rd Oldest Institute of Odisha) since the establishment of CET-B and it is the spirit of the institute that is intact which CETians imbibe and carry forward wherever they go.

# OUR ALUMNI

 <p><b>PURUSHOTTAM PANDA</b> VP (Powertrain Engg) Maruti Suzuki India Ltd</p>	 <p><b>RONAK SAMANTRAY</b> Co-Founder Nowfloats</p>
 <p><b>SASHIKANT MOHANTY</b> Oracle Practice Head Hewlett Packard</p>	 <p><b>PRAMOD PANDA</b> Head - Education, Training &amp; Assessment Infosys Limited</p>
 <p><b>MALAY KUMAR PRADHAN</b> Deputy Director Factories and Boilers</p>	 <p><b>MANOJ SWAIN</b> Chief Executive Officer Morgan Stanley India PD</p>
 <p><b>SIDHARTH NANDA</b> Account Optimizer Google</p>	 <p><b>SARAJU MOHANTY</b> Director Nanosystem Design Lab University of North Texas</p>

# PLACEMENT STATUS 2015-16

Jobs Offered till 23<sup>rd</sup> December, 2015

## STUDENT PROFILE (2016-17 BATCH)

# ACHIEVEMENTS

Pamela Sathpathy: IAS 2015 (Rank 51)

Padmini Sahoo: IPS 2015 (Rank 199)

Partha Sarathi Tripathy: IES 2015 (Rank 2)

Pranay Piyusha Jena: IES 2015 (Rank 42)

Sharada Prasad Panda: GATE 2015 (Rank 6)

Aditya Narayan Nanda: GATE 2015 (Rank 10)

Sai Srimoy Shukla: CAT 2015 (99.39 percentile)

Ashiya Bhuiya: CAT 2015 (98.81 percentile)

Amitabh Dash: IIFT 2015 (99.85 percentile)

Tworit Dash: Seminar in EURUKO, Austria

Tarashish Mishra: Seminar in EURUCAMP, Germany

Nikita Choudhary: Paper Presentation at DPU China

Bibhav Behera: Jurassic World Cinematography Team

Juhi Samal: European Biomaterials Conference (1st Prize)

Best Educational Institute  
In East Zone

G.N. Gupta Memorial Award  
for Outstanding Achievement  
in Education and Research

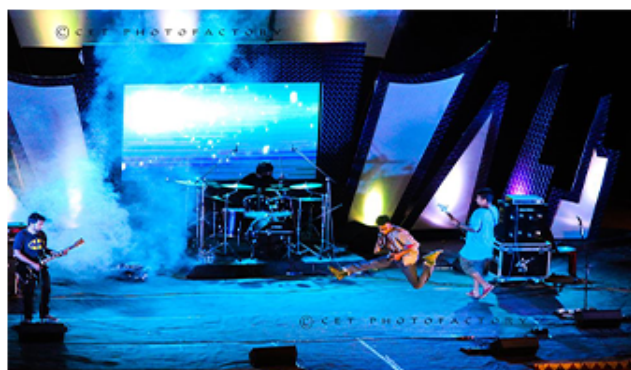

# STUDENT ACTIVITIES

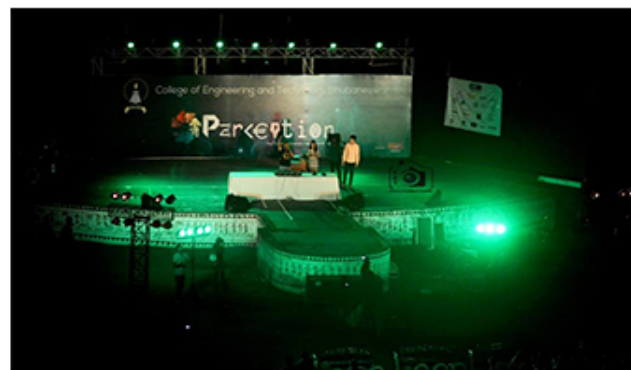

There are various active clubs functioning in the college. The technical club of the college are ZAIRZA and Energy Club. E-Cell,(Entrepreneurship Cell), for grooming young entrepreneurs among students.

Arpeggio and Amuza are the music and dramatics society of the college. CETADEL is the official literary club functioning in the college. CET-Rising is the official blog of the college. It features Alumni interviews, important college events and opinions on various burning issues.

The Athletic Society organises Engineer's Cup every year. Anually the college hosts XTASY, cultural fest and PERCEPTION, techno-literary-management fest.

Xtasy, Annual Cultural  
Fest

Perception, Techno-Literary  
Management Fest

Engineer's Cup
